<b>Venue Address:</b>	Samurai Judo Club, Zortech Avenue, Kidderminster DY11 7DY
<b>Event Date:</b>	<b>Sunday 13th October 2019</b>

This event will hopefully be run under a new format. We are awaiting approval from the BJA Board of Directors and will publish the format as soon as we have approval.

The intention is to run this event as a player-friendly development event where players can present their kata and get feedback and advice from top British kata experts using video replay analysis.

There will be sections for both children and adults.

As well as being intrinsically interesting for many and an alternative to those players who are less interested in contest judo, kata can be a great skill learning tool for competitive players of all ages.

If you have an interest in kata but feel daunted by the thought of entering the British Championships, we would urge you to come along and have a go. The intention is that all participants will get feedback appropriate to their level of knowledge and so will benefit from participation at this event.
