(Grade refers to BJA grade. Please clearly indicate if the grades are not BJA. This assists with the point-scoring process for BJA grades)

Each team should start with three players. If there are 2 players their combined weight must be no more than 75% of the total weight and the weight "missing" will decide which position in the team is vacant. Players below the minimum weight shall be deemed the minimum weight. Teams fight in weight order, lightest first. Players can fight in more than one category (e.g. Boys LW and Boys HW) if they meet the criteria but they may not fight in two teams in the same category.
